## Alaska Justice40rward Tour: August 2023

### DAY THREE - Anchorage: Thursday, August 17th

Time	Event	Description
9:00 AM	Bus to Chickaloon Tribe	Departing from Anchorage, we will travel to the Chickaloon Native Village; Nay'dini'aa Na', which is the name in Ahtna, meaning "the river with the two logs across it", is a vibrant, innovative, and culturally rich Ahtna Athabascan Tribe located in Sutton, one of the most picturesque communities in Southcentral Alaska, about a 90-minute drive from Anchorage, along the Glenn Highway, Scenic Byway. Surrounded by snow-capped mountains, glaciers, and lush boreal forests, the Tribe has occupied this area for the past 10,000 years.
10:30 AM - 1:00 PM	Site Visit and Tour with the Chickaloon Tribe	<p><b>Site visit:</b> Moose Creek Restoration Project - The Chickaloon Village Traditional Council, in collaboration with agencies and the local community began working to restore fish passage and improve habitat on Moose Creek for anadromous fish, particularly salmon.</p> <p>Moose Creek Salmon Population Rehabilitation project is restoring the Moose Creek Chinook salmon population which has declined in the last century. In mid-summer, small numbers of adult Chinook salmon on Moose Creek are captured; the salmon eggs are fertilized and then incubated in a moist air incubation system.</p> <p><b>School:</b> Ya Ne Dah Ah School is committed to all students receiving an education which instills respect for human dignity and diversity, which validates the history and culture of all ethnic groups, which is based on high expectations for academic success for every student, and which encourages students and parents to actively participate in the learning process.</p>

4:45 PM	Bus departs back to Anchorage and arrives by 6:30 PM	

**What is Justice40rward?** Justice40rward is a community-led effort launched by **WE ACT for Environmental Justice**, to ensure transparency and collaboration between elected officials, municipalities, and those who live in disadvantaged communities that the Justice40 Initiative was designed to support. Our work begins with making sure people, including local and state officials, understand the Justice40 Initiative, announced by President Biden in January 2021, and informing them about the billions of federal dollars in the Bipartisan Infrastructure Law, Inflation Reduction Act, and other appropriations that can be accessed to address environmental injustices in their communities. ### Meet the Alaska Justice40rward Tour Hosts

**Alaska Community Action on Toxics** is an environmental health & justice non-profit organization based in the Dena'ina lands (also known as Anchorage). Driven by a core belief in environmental justice, ACAT empowers communities to eliminate exposure to toxics through collaborative research, shared science, education, organizing, and advocacy.

ACAT works with communities, implementing effective strategies to limit their exposure to toxic substances and to protect and restore the ecosystems that sustain them and their way of life.

**Native Movement** is focused on developing community organizing leadership, movement building, and community building centering social justice and healing foundations. Our work focuses on Indigenous and non-Indigenous grassroots mobilization rooted in decolonization and just transition frameworks toward liberation visions. Native Movement is focused on increasing Alaska-wide community organizing capacity toward dismantling colonial systems of oppression and boldly reshaping a healing path forward. We believe in Collective Power building Systemic Change.

**WE ACT for Environmental Justice** is a Northern Manhattan membership-based organization whose mission is to build healthy communities by ensuring that people of color and/or low-income residents participate meaningfully in the creation of sound and fair environmental health and protection policies and practices. WE ACT has offices in New York and Washington, D.C.

**The Environmental Justice Leadership Forum** is a national coalition of nearly 50 organizations in 22 states that work to ensure a diverse grassroots perspective is present in federal, state, and local policy decisions. Members are based in red, blue, and swing states including those in the Appalachia, Deep South, Extreme Northwest, Midwest, Northeast and Southwest regions and represent Black, Latinx, Indigenous and low-income White communities in large, midsize, and small cities.
